1180 FALSE PERSONATION OF PEACE OFFICER	-		0000	NO			88

## SYNOPSIS

A female graduate student parked her vehicle on Stoughton, between Busey and Lincoln (Urbana). While walking to a bus stop (Green/Busey), she was approached from the rear by a white male driving a black sedan. The male identified himself as an "undercover cop", displayed a silver badge on a chain, and asked her to enter his vehicle for questioning. The female refused and walked to her bus stop. The driver left the area in an unknown direction.

**NARRATIVE**

On 06-09-17, around 09:27 hrs, [REDACTED] called the Champaign Police Department non emergency number via cell phone to report suspicious activity on Stoughton, between Busey and Lincoln. Around 09:29 hrs, [REDACTED] was transferred to METCAD. The following is a brief synopsis of what [REDACTED] reported (See E-Tag 44636 for entire phone conversation):

[REDACTED] told the dispatcher she had just been stopped by a man in a black vehicle on Busey and Stoughton (Urbana), who claimed to be an undercover policeman and asked her to get into his car to answer a few questions, but she refused to do it. [REDACTED] told the dispatcher he was "okay with that" and she just wanted to let METCAD know and did not know if they were aware of the contact, but thought it was best to call.

The dispatcher asked [REDACTED] when it happened and she stated, "About three minutes ago". [REDACTED] described the vehicle as a "black sedan", but did not know the make or model.

The dispatcher asked [REDACTED] "He said he was an undercover cop?" [REDACTED] replied, "Yes, he said he was doing some undercover work in the area." The dispatcher asked, "And he wanted you to get in the van?" [REDACTED]

STIVERSON, ERIC

officer's initials aw approved Cw (11700791)

corrected the dispatcher and stated "car" and described how he tried to get her into his car by displaying a "sheriff's symbol" he had on a chain that he pulled out of his shirt. [REDACTED] said he asked if he could ask her a few questions and she said "Yes". When he asked her to get in the car, she said "No". According to [REDACTED] the man said, "Okay, well, I just wanted to ask you if you had seen anything strange in the area to give the police a call." [REDACTED] replied, "Okay" and then moved away.

The dispatcher asked [REDACTED] if the man was still parked there when she left and [REDACTED] replied, "No, he had driven off". The dispatcher asked [REDACTED] if she wanted an officer to contact her and she advised that she was "fine" and the call was terminated.

Around 09:35 hrs, METCAD dispatched the call to Urbana Police. At 09:36 hrs, Sgt Norton called to verify there were no Street Crimes units in the area. Around 09:38 hrs, Sgt Norton and Ofc Cassidy (UPD) arrived in the area, but were unable to locate the vehicle. Around 09:41 hrs, Sgt Norton and Ofc Cassidy cleared the area.

On 06-12-17, around 14:28 hrs, Ofc Hurless told me about a post made by [REDACTED] at 09:36 hrs, on the University of Illinois Facebook page regarding missing person Yingying Zhang (I17-767). [REDACTED] discussed how a man in a dark sedan, posing as a police officer, had tried to get her inside his vehicle. I asked Ofc Hurless to contact [REDACTED] and arrange an interview. Around 20:20 hrs, [REDACTED] arrived at UIPD and was interviewed by me, Officer Hurless, and Special Agent Tenaglia of the FBI in interview room two. The following is a brief synopsis of the interview, which was audio/video recorded for evidentiary purposes (E-tag 44635):

[REDACTED] recalled parking her vehicle somewhere on Stoughton, between Busey and Lincoln, and began walking to a bus stop (Busey/Green). [REDACTED] told us she was walking eastbound on Stoughton towards Busey, when a guy pulled up behind her, showed a badge, and told her he was an undercover cop. [REDACTED] recalled the man saying, "I'm an undercover cop in the area investigating, would you be willing to get in the car and answer a few questions?" [REDACTED] told us she said, "No" and began to walk away. [REDACTED] recalled the man saying, "Please call if you see anything suspicious." [REDACTED] could not recall which way he drove off, but stated he either went "North or East".

██████ described the vehicle as a black sedan four door. She did not know the make or model and could not recall anything about the vehicle in regards to vehicle damage, bumper stickers, or registration information.

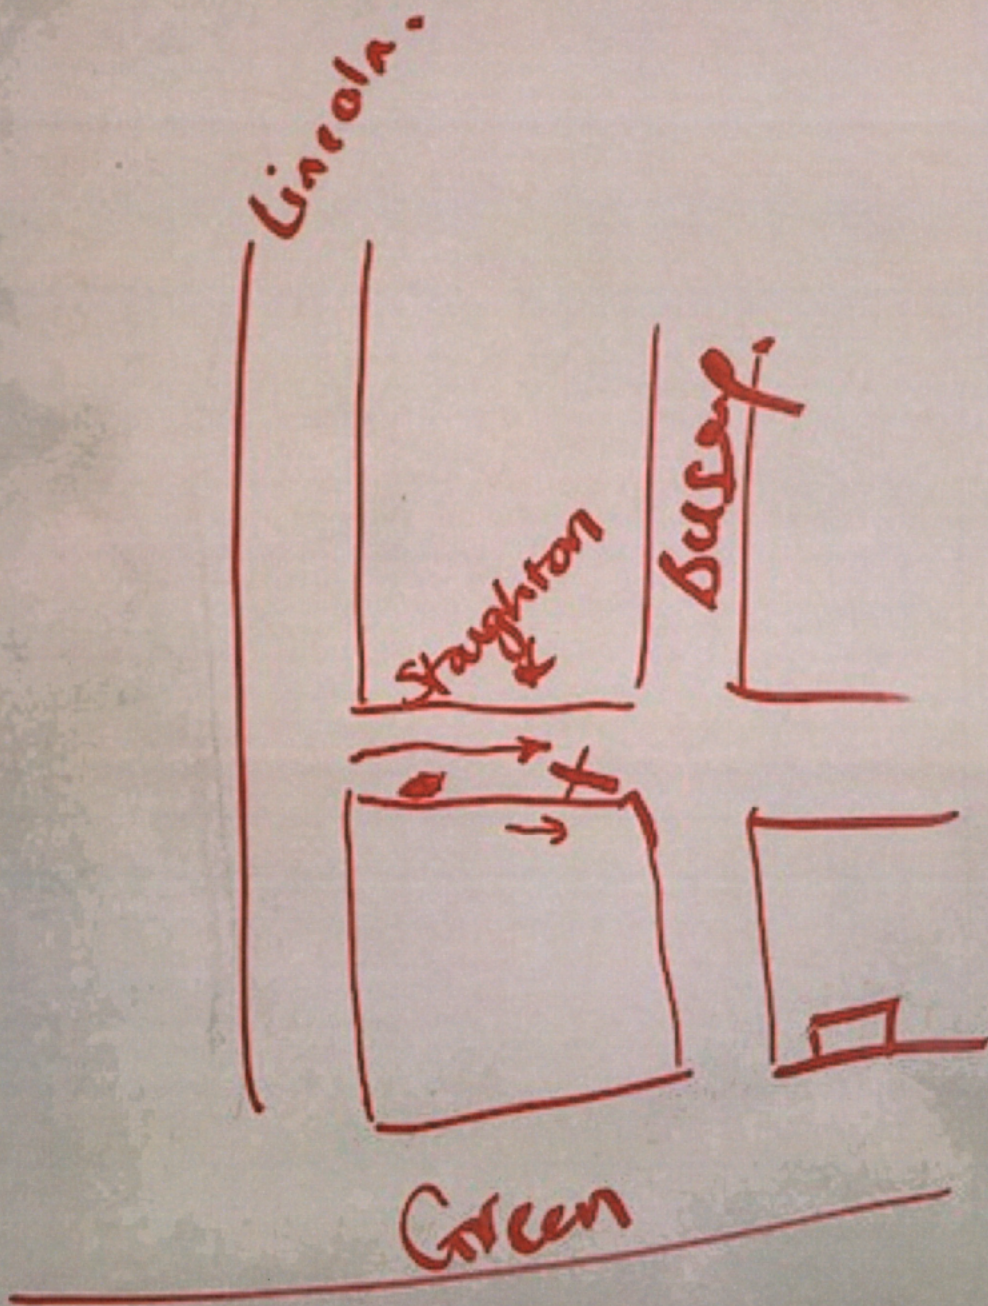

██████ described the suspect as a white male in his 30's, clean shaven, clear complexion, attractive, and well spoken. ██████ said he was wearing a dark crew neck t-shirt, dark aviator style sunglasses, and a silver star on a chain around his neck. ██████ described the badge on the chain as a "Sheriff's" star with black leather backing.

██████ described the route she walked to be east on Stoughton and south on Busey to Green where she boarded the Silver South from the MTD Shelter located on the northeast corner of the Green and Busey intersection.

██████ could provide no further leads or suspects.

Drug Code NA			Property Code 917-SURVEILLANCE VIDEO	
NARRATIVE				

On June 17, 2017 around 1400 hours I, Ofc. T.A. Franzen #102, reviewed Milestone surveillance video from the day of June 9, 2017. I observed a black Saturn Astra traveling from the area a female had reported a suspicious person in a vehicle. The Astra fit the description she provided. This was the same Astra that was recorded on campus in I17-767.

My video observations were as followed:

- 6/9/2017 - 9:29:44.047 AM - B4-Exterior East Side Facing North-1094 - Black Saturn Astra westbound on University Avenue in the left lane. Astra was behind a white flatbed truck. Continued west past Goodwin Avenue. Visible until 9:29:55.687 AM.
- 6/9/2017 - 9:29:56.176 AM - B4-Northeast Stairwell Entrance-1094 - Astra continued west on University Avenue. Visible until 9:29:58.312 AM.
- 6/9/2017 - 9:30:04.388 AM - B4-Northwest Stairwell Entrance-1094 - Astra continued west on University Avenue past Mathews Avenue. Visible until 9:30:08.148 AM.
- 6/9/2017 - 9:30:06.842 AM - B4-Exterior West Side Facing North-1094 - Astra continued west on University Avenue approaching Wright Street. Visible until 9:30:10.838 AM.

In a previous supplemental report for I17-767, I observed this vehicle on Milestone surveillance video driving north on First Street north of

FRANZEN, TAYLOR

 officer's initials TF approved [Signature] (I1700791 - #A1706844)

Peabody Drive at 0847 hours and could not locate the vehicle again until the video observations in this supplemental report.

I reviewed video of Wright Street from the ECE Building; and the intersections of First Street and Kirby Avenue, and Fourth and Healey Streets from 0930 to 1000 hours and did not observe the Astra.

I exported this video to the Electronic Evidence O-Drive (#44917).

## SYNOPSIS

Female pedestrian walking northbound on west sidewalk of Lincoln north of University was "cat called" from a vehicle stopped in traffic on Lincoln Ave (northbound lane). Suspect motioned for female to come to him. Female made eye contact and continued walking northbound on Lincoln to her residence. Female described the vehicle to be the same as the vehicle posted on UIPD Facebook Page regarding missing person Zhang.

**NARRATIVE**

On 06-13-17, around 12:42 hrs, I (Detective Stiverson) was notified by Ofc Hurless that [REDACTED] had called UIPD and wanted to report an incident from 06-07-17. Specifically, a white male, wearing dark sunglasses, and driving a black hatchback had called out to her from the northbound lane of Lincoln Ave as she was walking northbound on the west sidewalk north of University Ave (Urbana). [REDACTED] believed the man was trying to get her to come to his vehicle which was stationary in traffic. I told Ofc Hurless to call [REDACTED] back and schedule an interview.

Around 13:12 hrs, [REDACTED] arrived at UIPD and was escorted to the Detective Bureau and interviewed by Ofc Hurless and I in Interview Room Two. The interview was audio and video recorded for evidentiary purposes. The following is a brief synopsis of the interview (See E-tag #44750 for entire interview):

[REDACTED] told me on Wednesday, June 7th, 2017, around 15:52 hrs, she had left the west exit of the Mechanical Engineering Building (MEB), which is located at Green/Matthews (Urbana). [REDACTED] walked northbound on the east sidewalk of Mathews to University Ave, southbound across University Ave, turned eastbound on the north sidewalk of University Ave to Lincoln Ave, where she turned northbound and continued walking northbound on the west sidewalk of Lincoln Ave.

[REDACTED] was not exactly sure of her location, but somewhere between the water treatment plant (University/Lincoln) and Family Video (Fairview/Lincoln) she heard a male voice yell, "Hey! Hey". [REDACTED] told

STIVERSON, ERIC

officer's initials

approved

(111700795)

me she looked over and saw a white male wearing dark sunglasses with his arm hanging out of the window driving a black hatchback. [REDACTED] told me the vehicle was stopped in the northbound lane of Lincoln. [REDACTED] believed he was "cat calling" her, so she gave him a mean stare and continued walking home (One South Apartments). [REDACTED] told me the drove off northbound on Lincoln. [REDACTED] never saw the vehicle turn off Lincoln.

[REDACTED] told me she was on her phone the entire time with her boyfriend and was able to verify she started the phone conversation at 15:52 hrs when she left MEB and concluded the conversation at 16:31 hrs when she arrived at her apartment. [REDACTED] did not report the incident to police, because she has been "cat called" before and just "deals with it", but after seeing the University of Illinois Facebook Page on 06-12-17, she believed the guy was driving the same vehicle. [REDACTED] described the vehicle as a black older hatchback.

[REDACTED] described the driver as a white male, who looked old but probably in his thirties. He was fair skinned with short light brown hair and was wearing dark sunglasses. [REDACTED] did not see any scars, marks, or tattoos. She did not recall anything significant about his voice. [REDACTED] believed he was wearing a dark colored short sleeve shirt. [REDACTED] believed she could identify the man if she saw a picture of him.

NARRATIVE				

On June 14, 2017 around 1300 hours I, Officer T.A. Franzen #102, reviewed Milestone surveillance video footage of this reported incident. I located [REDACTED] on this video system near B4 Parking Garage on June 7, 2017 at 1600 hours. [REDACTED] was wearing a red short-sleeve V-neck shirt, light blue skinny jeans, dark flip flop sandals, and carried a half grey and half dark backpack. Her brown hair was down past her shoulders. She was talking on her phone, while holding the phone up to her right ear with her right hand. I observed the following path taken by [REDACTED]

- 4:00:11.078 PM - B4-Exterior West Side Facing South-1094 - [REDACTED] walked north on Mathews Avenue towards University Avenue on the east sidewalk. Visible until 4:00:49.578 PM.

- 4:00:35.259 PM - B4-Exterior West Side Facing North-1094 - [REDACTED] walked north on Mathews Avenue on the east sidewalk, then turned east on University Avenue. Visible until 4:01:01.871 PM.

- 4:01:13.141 PM - B4-Northwest Stairwell Entrance-1094 - [REDACTED] walked east on University Avenue on the south sidewalk. Visible until 4:01:23.132 PM.

- 4:02:35.548 PM - B4-Northeast Stairwell Entrance-1094 - [REDACTED] continued east on University Avenue. She crossed University Avenue at Goodwin Avenue to the north sidewalk, then crossed Goodwin Avenue and continued east. Visible periodically until 4:03:20.558 PM.

FRANZEN, TAYLOR

officer's initials TVapproved [Signature]

(I1700795 - #A1706704)

- 4:03:30.726 PM - B4-Exterior East Side Facing North-1094 - [REDACTED]  
 continued east on University Avenue on the north sidewalk. She passed the  
 Burger King lot just before she exited this camera's field of view.  
 Visible until 4:04:53.597 PM.

I exported the above video on June 15, 2017 at 0335 hours (#44700) to the  
 electronic evidence O-drive. I burned a hard copy of this video to a disc,  
 and provided it to Detective Stiverson #107 for investigative purposes.
